

DORM SPACE SAVER

⚠ CAUTION
 Be sure to attach the shelving unit to the wall using the two mounting blocks. The screws provided are for wood stud installation. If you are mounting to other wall structures, please obtain assistance from your local hardware/home center in choosing the proper fastener.

IMPORTANT SAFETY INSTRUCTIONS

- ? Assemble split posts and shelving unit according to the enclosed assembly instructions
- ? Shelf must be fastened to the wall.
- ? Never step or climb on the unit.
- ? Assemble bottom 3-sided frame no higher than 12" from the floor.
- ? Use only UL listed electrical products (lights, etc.).
- ? **Weight limited to 100 lbs per shelf evenly distributed.**
