PrepMate™ MultiStation

PrepMate is a multifunctional workstation designed around the operator to eliminate space constraints and increase overall productivity. Perform a multitude of tasks faster and more efficiently in a space saving footprint with a patent pending, multi-level work surface.

- **Multi-Level:** The PrepMate Multi-Rail design holds a standard 18"x24" cutting board* above standard food/steam table pans. The design increases work surface capacity by providing an easily accessible level of storage below the work surface. You’ll increase productivity up to 20%** by allowing prepared food to be pushed into pans without wasting time and motion to pick-up and place it into pans. Plus, it reduces the scrap associated with that extra activity.

- **Multi-Height:** PrepMate is capable of 5 work surface heights (35½" – 39¾") allowing the work station to be set-up for multiple employee heights and tasks.

- **Mobile & Stable:** Preform tasks in multiple locations and save time and labor transporting product. Four total-lock casters provide a stable work surface by locking both the caster wheel and the hub for maximum stability.

- **Task Specific:** Configurable to a multitude of tasks with labor & space saving accessories.

- **Easy to Clean:** Wipe down and disassemble without tools for sanitation.

- **Construction:** Based on Metro Super Erecta® commercial grade shelving systems with 1" shelf adjustability, 800 lbs. shelf load capacity, and unlimited configurations.

**Construction options include:**
- Solid Stainless Steel Shelves
- Solid Galvanized Steel Shelves
- Super Erecta Pro® Hybrid Removable Mat Shelves
- MetroSeal® 3 Epoxy Coated Wire Shelves
- Brite Zinc Wire Shelves

- **Space Saving Design:** Available in 18"x24", 18"x30", 18"x36", & 18"x48" sizes to fit in the most space constrained environments.

- **Application Based:** Choose from pre-configured models based on the needs of your application.

**Patent Pending**

** Testing completed by Pennsylvania State University Center for Food Innovation.
* Cutting Boards up to 18½" wide

All Metro Catalog Sheets are available on our website: www.metro.com
PrepMate™ MultiStation

Specifications
• Multi-Rail Construction: 16ga, Type 304 Stainless Steel, Removable without the use of tools, Glass Filled Nylon End Caps

• Sizes:
  Nominal | Actual
  18’x24’ = 19.4’x26’ (493mm x 660mm)
  18’x30’ = 19.4’x32’ (493mm x 812mm)
  18’x36’ = 19.4’x38’ (493mm x 914mm)
  18’x48’ = 19.4’x50’ (493mm x 1270mm)

• Posts:
  Stainless Steel Posts come with FSFS units
  Metroseal Posts come with PR and NK units
  Chrome Posts come with FG and BR units

• Height Adjustment: Fixed with assembly, 35 1/8”–39 1/8” in 1” increments. Height is adjusted through no tool reassembly.

• Caster Construction: 5” Diameter Polyurethane Wheel, 3/8” Threaded Stem, Polyester Horn, Total Lock, NSF

• Rail Grip: Included with each unit. Rail Grips can be used to keep the cutting board from sliding on the rails

• Load Rating:
  Multi-Rails: 800 lbs. per set*
  Shelving: 800 lbs. each
  Casters: 220 lbs. each
  Static System: 800 lbs.

* Multi-Rails are capable of holding 800 lbs. evenly distributed on an 18’x24” work surface of sufficient strength centered in the unit.

Other Accessories Available
• Cutting Board Holder
• Pan Holder
• Knife Holder
• Utensil Bar
• Magic Ring (Fractional Pan Holder for Rails)

Configuring your PrepMate

Base Unit Model Numbers
(Base Models include Rails, Shelves, Post, & Casters all in one box)

Nominal Size:
  1824 = 18’x24”
  1830 = 18’x30”
  1836 = 18’x36”
  1848 = 18’x48”

Available:
  FSFS      FGFG
  FSPR      FGBR
  FSNK      PRPR

Top Shelf / Bottom Shelf:
FS = Solid Stainless Steel
FG = Solid Galvanized
BR = Brite® Wire
PR = Super Erecta® Pro
NK = Metroseal® Wire

PrepMate Kit Model Numbers

PrepMate Kit 1 Includes:
(2) Magic Ring Accessories
(1) 18”x24”x.5” White HDPE Cutting Board

PrepMate Kit 2 Includes:
(2) Magic Rings, (1) 18”x24”x.5” White HDPE Cutting Board, Cuttingboard Holder, Pan Holder, Knife Holder

Other Accessories Available
• Cutting Board Holder
• Pan Holder
• Knife Holder
• Utensil Bar
• Magic Ring (Fractional Pan Holder for Rails)
