PrepMate™ qwikSet MultiStation

PrepMate is a multifunctional workstation designed around the operator to eliminate space constraints and increase overall productivity. Perform tasks faster and easier in a space saving footprint with our patent pending, multi-level work surface. Tall or short, you can get comfortable and be more productive in seconds with our qwikSet easy height adjustment option.

- **Multi-Level:** The PrepMate Multi-Rail is design holds a standard 18”x24” cutting board* above standard food/steam table pans to increase work surface capacity by providing an easily accessible level of storage below the work surface. Get an increase in productivity up to 20%** by allowing prepared food to be pushed into pans without the wasted time and motion to pick-up and place into pans. Plus, it reduces the scrap associated with that extra activity.

- ** qwikSet Height Adjustment:** Capable of 5 work surface heights (35½” – 39½”). The work station can be quickly adjusted for a variety of employee heights and tasks.

- **Mobile & Stable:** Perform tasks in multiple locations and save time and labor transporting product. Four total-lock casters provide a stable work surface by locking both the caster wheel and the hub for maximum stability.

- **Task Specific:** Configurable to a any task with labor & space saving accessories.

- **Easy to Clean:** Wipe down and disassemble without tools for sanitation.

- **Construction:** Based on Metro Super Erecta® commercial grade shelving systems with 1” shelf adjustability, 800 lbs. shelf load capacity, and unlimited configurations.

- **Space Saving Design:** Available in 18”x24”, 18”x30”, 18”x36”, & 18”x48” sizes to fit in the most space constrained environments.

- **Application Based:** Choose from pre-configured models based on the needs of your application. Construction options include:
  - Solid Stainless Steel Shelves
  - Solid Galvanized Steel Shelves
  - Brite Zinc Wire Shelves

** Testing completed by Pennsylvania State University Center for Food Innovation.
* Cutting Boards up to 18’1/16” wide

All Metro Catalog Sheets are available on our website: [www.metro.com](http://www.metro.com)
Specifications

- **Multi-Rail Construction:** 16ga, Type 304 Stainless Steel, Removable without the use of tools, Glass Filled Nylon End Caps and patent pending qwikSet height adjustment

- **Sizes:**

- **Posts:**
  Stainless Steel Posts come with FSFS units
  Chrome Posts come with FG and BR units

- **Height Adjustment:** Variable on demand, 35 1/8” – 39 1/8” in 1” increments. Height is adjusted using qwikSet easy height adjustment

- **Caster Construction:** 5” Diameter Polyurethane Wheel, 3/8” Threaded Stem, Polyester Horn, Total Lock, NSF

- **Rail Grip:** Included with each unit. Rail Grips can be used to keep the cutting board from sliding on the rails

- **Load Rating:** Multi-Rails: 800 lbs. per set*; Shelving: 800 lbs. each; Casters: 220 lbs. each; Static System: 800 lbs.

  * Multi-Rails are capable of holding 800 lbs. evenly distributed on an 18"x24" work surface of sufficient strength centered in the unit.

Other Accessories Available

- Cutting Board Holder
- Pan Holder
- Knife Holder
- Utensil Bar
- Magic Ring (Fractional Pan Holder for Rails)

Configuring your PrepMate

**Base Unit Model Numbers**

(Base Models include Rails, Shelves, Post, & Casters all in one box)

- **Nominal Size:**
  - 1824 = 18"x24"
  - 1830 = 18"x30"
  - 1836 = 18"x36"
  - 1848 = 18"x48"

- **Available:**
  - FSFS
  - FGFG
  - FGBR

- **Top Shelf / Bottom Shelf:**
  - FS = Solid Stainless Steel
  - FG = Solid Galvanized
  - BR = Brite® Wire

**PrepMate Kit Model Numbers**

- **PrepMate Kit 1 Includes:**
  - (2) Magic Ring Accessories
  - (1) 18"x24"x.5" White HDPE Cutting Board

- **PrepMate Kit 2 Includes:**
  - (2) Magic Rings, (1) 18"x24"x.5" White HDPE Cutting Board, Cuttingboard Holder, Pan Holder, Knife Holder
